New Life and Health for Women.

Zoa Phora Makes Women Feel Young, Strong and Healthy and Gives Them the Glow and Bloom of Youth and Beauty.

Trial Bottle Free to Every Lady.

Zoa Phora certainly does do wonders for women. Every woman who has tried it says so and there are multiplied thousands of them. From all parts and corners of the land come their words of praise and joy and gratitude. Zoa Phora has brought more life and health to women, has relieved more pain and suffering and filled more homes with joy and happiness than all remedies and medicines and doctors combined. Their genuine letters of thanksgiving and rejoicing prove it and prove it conclusively.

Zoa Phora cures all forms of female diseases, displacements, irregularities, suppressed and painful periods, flooding, piles, kidney, bladder and liver diseases and all the troubles that drag down the life of women and make their lives a burden and a misery. You will rejoice as others now rejoice in perfect health and happiness if you use Zoa Phora.

Mrs. Wm. B. Knapp, 331 E. 4th St., Traverse City, Mich., says: "I write this hoping that it will be the means of helping some suffering sister who has any weakness or trouble peculiar to women. Seventeen years ago last fall I was taken sick with weakness, and was in bed all winter. Just as soon as I would get up I would faint and fall. Three of the best doctors in our town could not help me; then my husband wrote to that dear old Dr. Pengelly and he sent medicine and advice. The first dose helped me, and in one month I was up doing my work after being sick in bed from the 21st of November until the next May. The medicine he sent me was Zoa Phora, and if it hadn't been for dear old Dr. Pengelly and Zoa Phora, I would not be here to write this."

Write the Zoa Phora Co., Kalamazoo, Mich., for a free trial bottle and copy of their illustrated medical book, "Dr. Pengelly's Advice to Women." The doctor will gladly give free special advice when needed. Zoa Phora is for sale at \$1.00 a bottle by all druggists.

The first almanac was published in 1472 by Martin Ilkus, at Buda, Poland, and in 1473 almanacs were compiled nearly in their present form by John Muller, otherwise known as Regiomontanus, a printer at Nuremberg. The first almanac printed in England was Richard Pynson's, which appeared in 1497.

Further evidence of extravagance and mismanagement in the office of the Second Assistant Postmaster General is shown in figures found in the department, disclosing the fact that from a saving in the cost of the railway mail service for many years prior to 1900, there has been since that time an increase of more than \$2,000,000.

Do You Want Strength?

If you want to increase your strength you must add to and not take from the physical. In other words, the food that you eat must be digested, assimilated and appropriated by the nerves, blood and tissues before being expelled from the intestines. Kodol Dyspepsia Cure adds to the physical. It gives strength to and builds up strength in the human system. It is pleasant to the taste and palatable, and the only combination of digestants that will digest the food and enable the system to appropriate all of its health and strength-giving qualities. Sold by J. Jas. Wood & Son, Druggists.

CAN'T MAKE A MISTAKE.

All Maysville People Have to Do is to Follow Their Neighbors' Advice.

Our readers have no excuse for going astray. The way is almost fenced with guideposts in Maysville. They are on every highway and byway. "He who runs may read." Investigate this example:

Mr. Henry Bertram, boots and shoes, of 225 Market street, says:

The great value of Doan's Kidney Pills is quickly proven. I procured them at J. Jas. Wood & Son's Drugstore, corner of West Second and Market streets. In a very short time I was cured of backache which had troubled me for some time. I gave some to a friend who suffered greatly from kidney ailments, and he said the results obtained from their use proved that Doan's Kidney Pills are a preparation which possesses remarkable value.

For sale by all dealers. Price 50 cents a box. Foster-Milburn Co., Buffalo, N. Y., sole agents for the United States.

A CHANCE!

We have confidence in the good judgment of the people of Maysville; we will prove the sincerity of our belief.

Evidence of Faith.

We will place in the Southwest show-window of Messrs. John L. Winter & Co.'s store at Maysville, Ky., Saturday, March 26th, our finest \$450 Ebersole Piano, and will reduce it \$20 each day and every day until some one stops the sacrifice by buying the instrument.

At Your Mercy.

This is our finest Ebersole Piano—a superb instrument in our swiftest mahogany case—a creation of which we are very proud. Our price of \$450 upon this instrument is considered by connoisseurs to be much below its value. We ourselves guarantee it to be the equal of any \$500 instrument of any other manufacture. Each and every day this instrument will be reduced \$20 until some one stops the sacrifice by buying the instrument. We are absolutely at your mercy. If this piano only remains in the window one day we lose \$20; if it remains two days we lose \$40. This piano will remain in the window until sold. Don't wait too long; only one person can get it, and only one piano will be sold.

Don't Be Too Greedy.

Someone is liable to buy it any day. Only one piano will be sold; some one will get the bargain of a lifetime. Watch this space each day.

Dress Your Buildings

In a new coat of paint. Even considering the preservative value of paint as nothing, the improvement in appearance alone is worth much more than the cost. If your property is for sale you can't afford to not paint; it will add 5 to 10% to the selling value.

We have studied the paint question. We know what will give the most satisfaction for the expenditure, and we are anxious to supply you with the best grade of paints and painters' supplies, and insure full value for every cent of cost.

READ IT THROUGH.

"Would Spoil This Story to Tell It in the Headlines."

To use an eighteenth century phrase, this is an "over true tale." Having happened in a small Virginia town in the winter of 1902, it is a story very much of the present. Up to a short time ago Mrs. John E. Harmon of Melfa Station, Va., had no personal knowledge of the rare curative properties of Chamberlain's Cough Remedy. "Last January," she says, "my baby took a dreadful cold and at one time I feared she would have pneumonia but one of my neighbors told me how this remedy had cured her little boy and I began giving it to my baby at once and it soon cured her. I heartily thank the manufacturers of Chamberlain's Cough Remedy for placing so great a cure within my reach. I cannot recommend it too highly or say too much in its favor. I hope all who read this will try it and be convinced as I was." For sale by J. Jas. Wood & Son.

LA GRIPPE—PNEUMONIA

So many people who have apparently recovered from an attack of La Grippe are stricken with Pneumonia. This is due to the fact that the Bronchial Tubes and Lungs are left weakened and unable to resist disease.

FOLEY'S HONEY AND TAR

not only cures La Grippe Coughs, and prevents Pneumonia, but strengthens the Lungs so they will not be susceptible to the development of serious lung troubles. Do not take chances with some unknown preparation that may contain some harmful drug when FOLEY'S HONEY AND TAR costs you no more and is safe and sure. Contains no opiates.

I had a bad case of La Grippe about ten years ago which left my Lungs so weak that I have been troubled more or less every winter since until I used FOLEY'S HONEY AND TAR, which cured me completely and my Lungs no longer trouble me.—J. H. BROWNING, D.D.S., Orrick, Mo.

G. VACHER, 157 Osgood St., Chicago, says: "My wife had a very severe case of La Grippe, and it left her with a very bad cough. She tried a bottle of FOLEY'S HONEY AND TAR and it gave immediate relief."

The 50c bottles contain two and one-half times as much as the small size and the \$1.00 bottles almost six times as much.
